After School Activities

Coaches' Evening

Football Ferns

Swimming Competition

Wow what a great start to the first school competition last Friday. The children worked hard in their events to make the swimming competition a real success. Make sure you check out the Sports page of the website to see the results and to see who has qualified to represent the school at the Remuera Swimming Zones on the 23rd March. A huge thank you to all those who supported and helped make the event run smoothly, much appreciated.

SCHOOL COACHES' EVENING

We had a great turn out last night to the first coaches evening with guest speakers from Duane Mann GACU (Greater Auckland Coaching Unit), Amy Alison Active Schools Facilitator, Dave Richardson and Trish. We will be using the information from the evening to write a coaches, managers and parents code of conduct. If you are willing to coach a team this year please get in contact via email to let us know. c.whittington@victoria-avenue.school.nz

The Football Ferns are New Zealand's national women's football side and are the current champions of Oceania. We are really lucky to have a few of the players to come into school tomorrow to coach girls in Years 4 - 6. So make sure your daughter brings their sports clothes so they can get involved at lunch time between 12.45pm and 1.30pm.

Weetbix Tri

Running through the crowds of people and supporters was amazing and they were all so encouraging and yelling to spur us on.

It was great to do the Tri with so many other kids from VAS.

The best bit was going across the finish line with Nina and having Hamish Carter (very cool Top NZ triathlete) give us our own gold medals.

The good news is that I get to do it all again on the 21st March at the North Shore event and it is not too late for anyone else to enter if they want to give it a go too.
