Dear Parents

Thinking Maps - Parent Workshop

On Wednesday 12th May we are running a Parent Workshop to discuss not only the introduction of *Thinking Maps* at VAS but also the research and pedagogy behind a real revolution in educational thinking. Over the past 20 years our knowledge and understanding of how individuals learn best has been transformed...we want to explain to you how brain research has impacted our teaching and learning at VAS.

This will hopefully be as fun as it is informative and in the past many parents have taken elements of the workshop away and used it in their own businesses and lives. The PTS will provide a few nibbles and drinks will be available. I hope many of you will take the opportunity to come along. In order to cater appropriately can you please rsvp to the school office v.a.s@victoria-avenue.school.nz or return the slip below.

I/we will be attending the Thinking Maps Parents' Workshop on Wednesday 12th May at 7.30pm.
