What is the Greater Auckland Coaching Group?:

The Greater Auckland Basketball Coaching Group is a coaching focused group that assists the development of basketball coaches by working alongside the Associations to deliver quality clinics and resources to help up skill coaches at all levels.

Clinics will be run throughout the year to assist in your learning and support.

There are currently 2 levels of support, the Foundation Pathway (for beginners and coaches of Primary/Intermediate aged children) and the Performance Pathway (for High School, Representative, National level).
